HILLSBOROUGH
WILLS & TRUSTS

Law Office of Colin K. Austin, PLLC

To whom it may concern,

I recently had the pleasure of working with Dane Dougall of Schooley Mitchell. We engaged Dane to audit our merchant services expenses. Every penny counts, so we looked forward to seeing what savings could be found.

Hillsborough Wills & Trusts is dedicated to protecting the interests of our clients through all of life's seasons. From helping young families set up guardians for their children to helping grown children support their parents, we believe in strong, ongoing relationships with the individuals and families that we work with.

Dane's team analyzed our merchant services invoices to find potential savings. Schooley Mitchell takes all the work off the client's plate, and this was evident from the get-go. All that was required was a quick conversation about our set up, access to our invoices and contracts, and then Schooley Mitchell did all the work from there.

I was thrilled when Dane came back to me and presented the report showing that Schooley Mitchell identified savings of 17%. Our business, as well as its customers and employees, will benefit from these savings.

Overall, my experience with Schooley Mitchell and Dane Dougall was excellent, and I would recommend them without hesitation. Dane is professional and passionate about the work he does!

Respectfully,

Colin Austin
