Dear Neil,

I would like to take this opportunity to thank you and John for the extensive time that you have spent in analyzing our telecommunication expenses and obtaining reductions on our behalf. Your monthly diligence in making sure the savings actually show up on our invoices is much appreciated.

You told us what you could do for us...and you went ahead and did it. I consider that to be the foundation of a good working relationship.

I would certainly not hesitate to recommend your services to anyone.

Sincerely,
