To Whom It May Concern:

Our company recently had the opportunity to work with Joe Lefkowitz of the local Schooley Mitchell Telecom Consulting office. He was able to save the company gross savings in excess of 39% of its monthly cellular phone bill. He handled the process in a professional manner and presented his findings in a concise and understandable form for our evaluation. He has become a part of our team in the communications area with future reviews to insure the company is getting the best rates based on our use and requirements.

We would not hesitate to recommend Schooley Mithcell Telecom Consultants of Baltimore to any business to assist it in reviewing all of its communication systems.

Sincerely,

Joseph Kelemer
