

HILTON HEAD ISLAND • BLUFFTON
CHAMBER OF COMMERCE

Serving the South Carolina Lowcountry

To Whom It May Concern:

The Hilton Head Island – Bluffton Chamber of Commerce secured the services of Schooley Mitchell Telecom Consultants in the winter of 2010. Dr. Paul McMenamain worked diligently with our staff conducting an audit and evaluation of our overall communication services. Dr. McMenamain worked to understand our needs and provide a solution that meets our operational requirements. Through his efforts, we have reduced our telecommunications costs by over 20% with no degradation in service and a faster internet connection as well, without changing our preferred service provider.

The Hilton Head Island – Bluffton Chamber of Commerce highly recommends the services of Schooley Mitchell Telecom Consultants for any business that desires to control and manage their communications costs and maintain or grow their service requirements. Dr. McMenamain delivered results with accuracy, integrity, and efficiency. He explained the process in plain terms, continually provided information on the investigation progress, and in the end delivered valuable results. This project has provided real benefit to the Hilton Head Island – Bluffton Chamber of Commerce as we move forward in the growth of our local economy.

Sincerely,
