

To Whom it May concern:

Our company recently had the opportunity to work with Steve Oscarson of Schooley Mitchell Telecom Consulting. He was able to save the company over 30% off our telecom bills. He handled the process in a professional manner and presented his findings in a concise and understandable form for our evaluation. We look forward to working with him in the future to insure that we have the best rates based on our use and requirements.

We would not hesitate to recommend Schooley Mitchell Telecom Consultants to any business to assist it in reviewing all of its communication systems.

Sincerely,
