To Whom It May Concern:

I am pleased to recommend the services of Greg Ptacin, Schooley Mitchell Telecom Consultants. Greg analyzed our telephone services and saved Fairfield Internal Medicine, Inc. more than \$3,900 per year.

The process is simple because Greg does all the work. There were several issues with our telephone carrier that he handled for us. Besides saving us money, Greg also saved us a lot of time and hassle.

I recommend any business to let Schooley Mitchell review their telecom spending. There is no fee unless they find savings that you want to implement, and then they take care of all of the changes.

Sincerely
