

CORRECTIONAL ALTERNATIVES IN PERTH

August 14, 2000

Stratford, Ontario

Dear Sirs,

I am writing on behalf of the member organizations of V.I.P. (Volunteers in Perth). We would like to extend our appreciation to Schooley Mitchell for their support in making our Web page possible. We wish to commend the work of your employee Bill McNichol, who has been so helpful to us in setting up the V.I.P. Web page.

Bill's knowledge, patience and innovative ideas have been of immeasurable help to us. We feel confident our expectations in using the Web to spread the "Good Word", re. Volunteerism in Perth County and the ongoing need for volunteers will be met.

We are aware of the Organ Donation program your company is promoting. If you could supply us with approximately 150 cards before our next meeting on September 13, 2000 we would be happy to pass them out among our representatives for distribution.

Your continued support of Volunteers In Perth is greatly appreciated.

Sincerely,

Twila Tinning

Program Director
