

**Odawara Automation, Inc.**

September 17, 2003

To Whom It May Concern:

Odawara Automation has been extremely pleased with its relationship with Mr. Nick Williams of Schooley Mitchell Telecom Consultants.

Mr. William has used his personal years of experience in the telecommunication field along with the resources available through Schooley Mitchell to not only make valuable suggestions but to actually save our company overhead dollars which go right to the bottom line.

In addition to his knowledge, Mr. Williams brings a personal commitment and follows up diligently to make implementation of cost savings suggestions in the telecommunication area easy.

Mr. Williams of Schooley Mitchell Telecom Consultants delivers as promised and we would recommend his service to any company trying to analyze and/or reduce their costs in the telecommunication area.

Sincerely,

Christopher R. Spejna  
President
