Dear Andrea,

I'm writing today in appreciation for all your hard work. On behalf of our administration, we are very pleased with the waste service savings your team was able to uncover. Dealing with some large waste providers is not always easy and you not only stepped up to be our advocate, but you also successfully negotiated some amazing savings. We estimate the savings to be about 55% off what we expected our costs would be with the addition of a third campus. The process was simple, and the savings surpassed our expectations. We would recommend you and your team to anyone looking to reduce their costs. Thank you again for all your hard work.

Sincerely,

Claire Wilson  
Chief Financial Officer
