To whom it may concern,

It is with pleasure that I write a recommendation letter for Miguel Cardenas and the team at Schooley Mitchell of Grey Bruce.

Rural Net is a Flesherton, Ontario based Internet Service Provider. As a small business in Grey County, we know how important it is for all our operational services to be optimized. We were happy to ask Miguel and his team to review our expenses at no cost to us.

When Schooley Mitchell completed its audit of our expenses, we were very happy to hear that our telecom, utilities, fuel, and electronic payment processing fees were fully optimized, and that we are paying fair prices. I can rest assured knowing I am not throwing away any money that could be used elsewhere. Best of all, I know Schooley Mitchell will go to bat for me in the future if that ever changes.

Working with Miguel and his team has been a rewarding process. His friendly demeanour, professionalism, and dedication to his clients makes me confident that I am getting the best possible service.

I highly recommend Miguel Cardenas and Schooley Mitchell to any business looking for a thorough, cost-free audit of its expenses.

Sincerely,

Heiner Philipp, P.Eng  
President & Owner.
