Dear Andrea,

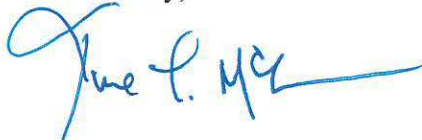

First, allow me to start by thanking you for all your support in Rotary. You quickly jumped in and have really become an integral part of our club and our community. Beyond pitching in you have made *Rotary Means Business* yours and it is flourishing.

Secondly, I'd like to thank you for approaching the Schiele Museum about potential merchant service cost savings. As the Assistant Director and Chief Financial Officer for the Board of Trustees of the Schiele Museum I am constantly surveying the landscape to find better and less expensive mechanisms for our non-profit organization to do business. Every dollar we earn or save can go to presenting the high quality science programming we offer the children and adults of our community.

As you know our Point of Sale software boxes us in on our choice of merchant service options. And yet your team was still able to renegotiate with our provider and **reduced expenses by more than 17%**. I did not think that was possible and look forward to even more savings as our volume increases. Thank you to the Schooley Mitchell Team.

Please let me know how I can help you spread the word and share the good news with other organizations in our community.

Sincerely,

Karl McKinnon
Assistant Director / CFO
