

To whom it may concern:

It is my pleasure to write this letter in recognition of a great local business, Beltone New England. Founded in 2002, Beltone New England is one of the largest privately owned retail hearing aid practices in the United States.

Beltone New England offers a multitude of products and services including hearing aid accessories, remote care, hearing testing, video ear scans and much more. It also offers a great financing program to ensure you are able to afford the care your hearing deserves.

The team at Beltone New England is second to none. They are all professional, educated and caring individuals dedicated to taking care of you as best as possible. They take the time to discuss your options and answer any questions you may have.

I highly recommend Beltone New England to anyone in need of hearing testing. Its trusted team will start with a free consultation and find the best fit for you.

Sincerely yours,

Blaine Stephens
