

To whom it may concern:

It is my pleasure to write this letter in recognition of a fantastic local organization, Hawthorn District 73. Located in Vernon Hills, Illinois, Hawthorn District 73 is comprised of eight schools along with an early childhood center.

Hawthorn District 73 has approximately 4,200 students from preschool to eighth grade, and around 600 dedicated employees who oversee the students' education. It is nationally recognized for its outstanding academic and extracurricular activities.

The team at Hawthorn District 73 is truly committed to providing the best experience for all students and their families. It is made up of highly educated, caring, and experienced individuals who always put the student's best interests first. They will go above and beyond to provide the best education possible for everyone.

I highly recommend Hawthorn District 73 to any parent with an elementary school aged child. The wonderful staff will help set your student up for success in a positive learning atmosphere and help them be the best they can be.

Sincerely,
