

To whom it may concern:

I am pleased to write this letter in recommendation of a great local business, Wing Shack. Located in Greeley, Colorado Wing Shack offers a variety of delicious menu items, but prides itself on its fresh, made to order wings most of all.

This location is the eighth and newest store established in the Wing Shack franchise, which opened in 2021. Wing shack boasts 12 different homemade sauces, ranging from kid-friendly mild to blisteringly spicy and everything in between. All sauces are original recipes and made fresh in-house every day using only the highest quality ingredients.

Whether you are stopping by for a quick lunch or placing a large catering order, you can be sure that the service will be impeccable, and the food is made with love. The staff will welcome you with a smile and is always ready to help you choose your wing of choice and maybe a beer or two.

I highly recommend visiting Wing Shack for the best wing experience you'll ever have. The quality of service, overall value and entire menu is second to none.
