

To whom it may concern:

I would like to take a moment to write this letter of recommendation on behalf of a great business, Weaver's Rent All. In operation since 1952, Weaver's Rent All provides a wide array of rental options to the communities of Central Illinois at affordable prices.

Originally founded by Charlie and Mary Weaver, the store has been family owned and operated from the beginning. Toni and John Petersen carried on the tradition and their sons, Charlie and Anthony, have made it a third-generation business.

Today Weaver's Rent All offers equipment rentals and party rentals including, but not limited to, construction tools, dehumidifiers, boom lifts, electrical accessories, lawn and garden equipment, party goods, dance floors and much more.

The team at Weaver's Rent All is second to none. They are all highly trained and knowledgeable individuals. With more than 100 years of combined experience in the industry, they can help you find exactly the right product for your needs. They go above and beyond to help in any way they can and always do their best to ensure complete satisfaction.

I recommend Weaver's Rent All without hesitation to anyone looking for an affordable option to expensive equipment rental. With Weaver's Rent All, you can count on fast friendly service from a team that truly has your best interests in mind.

Sincerely,

David Dow
