

To whom it may concern:

I would like to take this opportunity to write a recommendation letter on behalf of a great local business, Rustic Buffalo. Rustic Buffalo is an artisan market located in North Tonawanda, New York that offers a wide array of products from more than 110 award-winning artisans.

Rustic Buffalo features items that are vintage, shabby chic, rustic, buffalo themed and more. This includes, but is not limited to, custom signs, handmade jewelry, metal art, barn glass, gourmet foods, repurposed furniture and much more. It is open seven days a week, has a café, coffee and bakeshop, and offers product shipping throughout the United States.

At Rustic Buffalo, it is not the products that are amazing – the team is as well. Each one is kind, friendly and highly knowledgeable of the products they have in stock. They go above and beyond to answer any questions you may have and are always happy to make a recommendation if you are not quite sure what you are looking for.

Rustic Buffalo has also received several awards from the local community. It has been voted Best New Small Business in WNY by the Buffalo Spree Magazine, Best Home Décor Store in WNY by Buffalo News, and Best New Business in WNY by Buffalo News.

I recommend Rustic Buffalo without hesitation to anyone looking for the perfect décor piece. With Rustic Buffalo, you can rest assured you'll find the best piece to suit your unique taste and style, at a price that's fair.

Sincerely,

Adam Baker
