

To whom it may concern:

I am excited to write this letter in recommendation of a great local restaurant, Caplinger's Fresh Catch Seafood Market. Caplinger's Fresh Catch Seafood Market serves quality seafood that is made to order using fresh ingredients and homemade breadings and sauces, and also has a market with catches available to take home.

Found by the Caplinger family in 2013, with a foundational knowledge and passion for the seafood industry, Caplinger's Fresh Catch Seafood Market began with a vision to bring the highest quality seafood to the Midwest. If you're visiting the restaurant, you can find dishes such as salmon, shrimp, cod and even alligator with your choice of fixings. If you shop at the market, you can find items to take home, such as arctic char, snapper, rainbow trout, blue crab, octopus, and much more.

Caplinger's Fresh Catch Seafood Market staff has more than 150 years of combined seafood knowledge, so you can expect to have an exceptional culinary experience. As such, it has been voted #1 Seafood Restaurant in Indiana in 2015, Top 25 Best Lobster Roll in the Country 2017, Best Seafood by Restaurant Guru in 2019 and Best Seafood Market in Indianapolis in 2016.

I highly recommend visiting Caplinger's Fresh Catch Seafood Market for an amazing dining experience or the fresh seafood market. You can be sure you'll have the best seafood you've ever had with the most exceptional service in the industry.

Sincerely,
