

To whom it may concern:

I am more than happy to write this letter of recommendation on behalf of a great business professional, Kevin Beirne. Kevin is the vice president at Marsh and he uses his extensive knowledge and experience to better serve his clients.

With offices in more than 130 countries, Marsh is the world's leading insurance broker and risk advisor. It provides industry-focused brokerage, consulting, and claims advocacy services, leveraging data, technology, and analytics to help reduce its clients' total cost of risk. It has around 40,000 colleagues worldwide and offers its commercial and individual client's insights, advice, and support in the local markets

Although I have only known him for a short time, it is easy to see that Kevin is a true asset to the business world. He uses his skills and talents to provide exceptional services to each and every client he serves, and he is always a pleasure to interact with. He greets everyone with a smile and goes above and beyond for those not just in business, but in his community as a whole.

I highly recommend Kevin Beirne at Marsh to anyone who needs reliable help with their commercial claim. Kevin and the Marsh team will do everything in their power to provide you with the help, support, and advocacy you need in the event of a loss.

Sincerely,

Jim Lichtenberg
