

To whom it may concern:

It is an absolute pleasure to write this letter of recommendation on behalf of a very professional and talented photographer, Andy Eicher. Located in Hartville, Ohio, Andy Eicher is the owner and operator of Andrew Eicher Photography.

Andy specializes in headshots and portraits, and claims he can make anyone look younger, thinner, and more professional. He has the personality and the resources to handle everything from individual sessions to large events where the event coordinators provide headshots to everyone in attendance. He also does a lot of work for real estate professionals including photos for the local magazine Real Producers that highlights the top 10 percent of area realtors.

Not only does Andy provide quality photography services to his clients, but he is also dedicated to giving back. One of the ways he does this is by supporting Shanghai Healing Home, a non-profit organization that cares for orphaned children with medical needs.

I highly recommend Andy Eicher of Andrew Eicher Photography to anyone looking for expert photography services. Andy is an excellent photographer who will make you look and feel your best while having fun in the process!

Sincerely,

Fred Carter
