

To whom it may concern:

It is a true pleasure to write this letter of recommendation on behalf of Bradley Behrens with Northwestern Mutual in Normal, Illinois. For over ten years, Bradley has worked with the mission of helping people reach financial security.

Although Bradley's goal is to help people reach financial security, he knows financial security means different things to everyone, which is why he works with each individual client to determine what it means to them and then create a plan of action to make that happen. His services include a variety of insurance, investments, and planning, such as retirement planning and education funding.

We recently switched our investments to Northwestern Mutual and are very happy with our decision. It's easy to see that Bradley genuinely loves what he does. He is always a pleasure to deal with and responds to all communication in punctually.

Whether you're looking to invest, or planning for your retirement, I highly recommend Bradley Behrens at Northwestern Mutual. With Bradley, you will be on your way to achieving your financial goals in no time!

Sincerely,

David Dow
