

To whom it may concern,

I am pleased to recommend Steve Nevin of B2B CFO for his exceptional leadership, financial expertise, and commitment to helping business owners achieve long-term success. With more than 30 years of executive experience, Steve has built a strong reputation as a trusted advisor and strategic partner for privately held companies across a wide range of industries.

Steve Nevin of B2B CFO provides strategic CFO and business advisory services for privately held companies. His services include financial planning, cash flow management, growth and exit planning, capital raising, operational improvements, financial forecasting, and guidance on mergers, acquisitions, and business sales to help owners build stronger, more valuable businesses.

What sets Steve Nevin apart is his hands-on and relationship-driven approach to advising clients. Business owners consistently praise his professionalism, responsiveness, and ability to simplify complex financial challenges while helping companies build stronger operational foundations. His leadership style combines executive-level expertise with a genuine commitment to helping business owners succeed both professionally and personally.

I highly recommend Steve Nevin at B2B for his professionalism, strategic insight, and dedication to helping businesses navigate financial challenges, improve performance, and achieve long-term success with confidence.

Sincerely,

Kevin Stahr
