

To whom it may concern,

I would like to take this opportunity to write a letter of recommendation of behalf of a great company, Beach Landscaping. Based in Myrtle Beach, South Carolina, Beach Landscaping is a full-service landscaping and hardscaping company that serves both commercial and residential clients.

Beach Landscaping is licensed, insured, and offers a wide variety of services to suit the needs of every client. This includes design, installation, and maintenance, as well as outdoor kitchens, patios, walkways, fire pits, and more. It also handles weed and insect control, and provides an easy online quote application, with financing options for those who qualify.

Beach Landscaping understands that there are many options available when choosing a partner for your outdoor services. That's why each staff member works tirelessly to provide nothing less than impeccable service to each client. They are kind, friendly, and a pleasure to interact with as well as highly trained and experienced. They go above and beyond for those they serve, striving to ensure calls are returned promptly and treating each project as if it were their own.

I highly recommend Beach Landscaping to anyone looking for commercial or residential service for their outdoor space. From lawn care and maintenance to landscape design, Beach Landscaping can service any outdoor yard or building.

Sincerely,

Tim Fletcher
