

To whom it may concern,

It is an absolute pleasure to write this letter of recommendation on behalf of a wonderful individual, Adam LaFaber. From Cuyahoga Falls, Ohio, Adam has proudly delivered collaborative client-to-creator experiences where you can trust your content is in the right hands.

For many years, Adam has had a passion for marketing and people. He knew a corporate job was never the dream, so his decision to work for himself and build his own company was by far the best decision. Adam founded Digital Sandwich with the understanding that growing a business is overwhelming, but it doesn't have to be a burden.

Although I've only had the pleasure of knowing Adam for a short while, he has truly shown me to have real and innovative conversations. My eyes have been opened by his approaches and his confidence with everyone he meets. Both at Digital Sandwich and in his community, Adam strives to give back and make actions meaningful.

I highly recommend Adam LaFaber at Digital Sandwich with confidence to anyone who is expanding and looking to market their business. Adam understands communication and compassion, and he brings that into every project both at Digital Sandwich and in his community.

Sincerely,

Fred Carter
