

To whom it may concern,

I am pleased to recommend Footprint Decks & Design, a respected deck and outdoor living company based in Colorado Springs, Colorado. Known for its craftsmanship, creativity, and customer-focused approach, it has become a trusted name for those looking to enhance their outdoor spaces.

Footprint Decks & Design specializes in custom deck construction, pergolas, patio covers, and full outdoor living transformations. Whether working with wood or integrating unique features like lighting and built-in seating, it delivers high-quality results that blend functionality with visual appeal. Every project is tailored to the client's vision and the natural beauty of the surrounding landscape.

Its team is what truly sets it apart. Skilled builders, thoughtful designers, and responsive staff work closely with clients at every stage of the process. Their professionalism, attention to detail, and commitment to doing the job right ensure that each project is completed to the highest standards and with lasting satisfaction.

I wholeheartedly recommend Footprint Decks & Design. It brings both skill and heart to its work, consistently delivering outdoor spaces that people love to live in, making it a standout in its field.

Sincerely,

Keith Crockett
