

To whom it may concern,

It is a pleasure to write this letter of recommendation on behalf of Michael Arce at Acclaim Garage Doors.

For many years, Michael has been the proud owner of Acclaim Garage Doors in Peoria, Arizona. You might not think a lot about your garage door, but it protects vehicles, toys, memories, and much more. From a small spring to an entire door replacement, Michael is here to help ensure you are taken care of properly. He will provide the best products, brands, and of course, services.

I have had the pleasure of knowing Michael for a year now, and he has become a leader in the garage door industry. As a proud veteran, he knew he wanted to continue to help others. So, he opened Acclaim Garage Door with the intention to continue helping everyone around him.

I highly recommend Michael Arce at Acclaim Garage Doors for all your garage needs. He has always been there for every single customer from the moment he answers the phone. He truly takes care of his clients and provides only the best service and quality for your home or business.

Sincerely,
