

To whom it may concern,

I would like to take this opportunity to write a letter of recommendation on behalf of a great company, Westwood Laboratories Inc. Founded in 1948, Westwood Laboratories Inc. is a premier contract manufacturer of consumer and professional products.

Since its inception in 1948, Westwood Laboratories Inc. has been an FDA-licensed leader in product development and quality custom manufacturing. It has over 100,000 square feet of manufacturing, laboratory, warehousing and administrative space, and specializes in therapeutic, drug, and beauty topical products.

Standing behind Westwood Laboratories Inc. is a team of true industry professionals. Each one is highly trained and knowledgeable in their respective fields. They are devoted to providing the most advanced formulations and the highest level of customer service, always taking the time to get to know their clients' unique needs and requirements.

I highly recommend Westwood Laboratories to anyone looking for a premier contract or private label manufacturer of personal care products. It's a great company backed by a skilled and dedicated team that goes above and beyond to provide exceptional manufacturing services to their clients.

Sincerely,

David Dow
