

To whom it may concern:

It is a true pleasure to write this letter of recommendation on behalf of Blue Dog Printing & Design. Founded in 2003, Blue Dog Printing & Design provides printing, graphic design, and mailing services, as well as promotional products and apparel.

Blue Dog Printing & Design provides a wide variety of solutions to meet the needs of their clients. This includes everything from annual reports, brochures, and business cards, to labels, logos, and yard signs. Everything is done with the goal in mind of creating solutions that fit clients' immediate needs but will also allow their message to evolve with their company's growth.

Not only does Blue Dog Printing & Design offer quality services, but it also has an incredible team. One of the owners and lead designer, Debi Friedmann, has over 20 years of design experience, having worked for companies locally, nationally, and internationally. Debi and the whole Blue Dog team will go the extra mile to ensure you get exactly what you're looking for.

Blue Dog Printing & Design is also committed to being an active member of the community. It has given \$55,000 back to local non-profits, and is a member of several organizations, like the Exton Chamber of Commerce, the Greater West Chester Chamber of Commerce, and Rotary International.

I highly recommend Blue Dog Printing & Design to anyone looking for quality solutions that will represent their brand well. When you work with Blue Dog Printing & Design, you're working with an experienced, community-minded team that will exceed even your highest of expectations.

Sincerely yours,
