

To whom it may concern,

It is a pleasure to recommend Fortner, a family-owned custom furniture and reupholstery business based in Columbus, Ohio. Founded more than ninety years ago by David Fortner, a skilled craftsman who overcame the challenges of being born without the ability to hear or speak, the company has grown from a small garage operation into one of Ohio's largest and most respected furniture and upholstery providers.

Fortner offers a wide range of services, including custom furniture design, restoration, and expert reupholstery. Its dedication to quality craftsmanship and attention to detail ensures that every piece is thoughtfully transformed and restored using premium materials.

The team at Fortner combines generations of experience with a passion for preserving and enhancing furniture's beauty and function. Guided by the vision of David's great-grandchildren, it continues to uphold a tradition of excellence and personalized service.

I highly recommend Fortner to anyone seeking skilled craftsmanship and dependable service in custom furniture and upholstery. With its rich history and commitment to quality, Fortner is a name you can trust.
