SCHOOLEY MITCHELL

To whom it may concern:

I am pleased to provide this letter of recommendation for JSR Electrical Services, located in Euless. It has established a strong reputation for delivering comprehensive electrical solutions to both residential and commercial clients while maintaining high professional standards.

It offers a wide range of services, including electrical panel upgrades, circuit breaker replacements, lighting installation and repair, outlet and switch services, whole-home surge protection, and wiring for pools and hot tubs. It also performs troubleshooting, system upgrades, and general electrical maintenance, ensuring that properties remain safe, functional, and compliant with applicable codes and regulations.

Its team is composed of licensed and insured electricians who demonstrate technical expertise, attention to detail, and a consistent commitment to safety. The employees are recognized for their professionalism, reliability, and ability to complete projects efficiently while maintaining clear communication throughout each phase of work.

I confidently recommend JSR Electrical Services as a dependable electrical contractor dedicated to quality workmanship and customer satisfaction. Its structured approach, knowledgeable staff, and broad service capabilities make it a valuable resource for electrical needs in the surrounding community.

Sincerely,
