Dear PA Sherif and Staff:

After relocating to the area a year ago, one of my biggest concerns was finding a new healthcare provider I could trust. I had been with the same provider for over 20 years, so the idea of starting over was honestly a bit daunting. But from my very first encounter with PA Sherif those worries quickly disappeared.

Miriam is incredibly kind, attentive, and professional. Her gentle and compassionate approach immediately put me at ease, and it's clear that she truly listens and cares about her patients' overall well-being. Every visit has been thorough, thoughtful, and handled with the highest level of care.

The team at Carbon Health has also been friendly, efficient, and always welcoming. It's clear that the entire staff is committed to creating a positive experience for patients from start to finish.

Thank you, Miriam, and the Carbon Health team, for making what could have been a difficult transition feel smooth and reassuring. I truly appreciate the excellent care and cannot recommend you highly enough!

Best,
