

To whom it may concern,

I am more than happy to write a letter of recommendation today on behalf of Stretch Zone Savannah and Stretch Zone Pooler. Part of an industry leading franchise, Stretch Zone Savannah and Stretch Zone Pooler seek to improve client health and wellness through practitioner-assisted stretching.

Stretch Zone is a rapidly expanding, industry leading franchise system that offers a low-cost, turnkey, rapid go-to-market strategy. Its method addresses flexibility from a neurological perspective, which is achieved by dealing with the muscle's nervous tension to reach an optimal active range of motion.

Both locations offer a series of dynamic stretches to increase mobility and muscle function in order to make daily movements more efficient. It uses a proprietary stretching method and a patented strapping and stabilization system.

Not only do Stretch Zone Savannah and Stretch Zone Pooler offer exceptional services, but they are also backed by an amazing team. Each one is experienced and dedicated to providing the best possible services to their clients. They are warm, kind and friendly, and never make you feel judged or unwelcome.

I highly recommend Stretch Zone Savannah and Stretch Zone Pooler to anyone looking to unlock their body's flexibility and improve their overall health. No matter which location you visit, the well trained and knowledgeable stretch practitioners will lead you through the stretches in a welcoming environment with comfortable equipment.

Sincerely,
