

To whom it may concern,

I am overjoyed to write this letter of recommendation on behalf of Electronic Strategies, Inc. Located in Indianapolis, Indiana, Electronic Strategies, Inc. is a veteran-owned IT company that provides cost effective solutions and services.

Electronic Strategies, Inc. offers 24/7 proven methods that dig to the root of the issue, uniquely tailored solutions and continued support. It focuses on industries such as education, healthcare, legal, financial, agriculture and more. It also provides managed and consulting services with an emphasis on cabling and physical security.

In addition to the wide variety of services it offers, Electronic Strategies, Inc. also has a fantastic team with nearly 600 years of combined IT experience. This includes consultants who are experts on various subjects, including routers, cybersecurity, data centers and more.

I highly recommend Electrical Strategies, Inc. for all your IT needs. Its depth of expertise, commitment and communication is nothing short of incredible.

Sincerely,

James Medawar
