What our clients say about us:

Donovan and Bauer Auto Group ★★★★★

During my monthly close-out, I see the impact of Schooley Mitchell's work, but it's the quarterly savings reports they deliver that truly illustrate our financial progression. These reports not only show a significant decrease in fees but also provide actionable recommendations for further cost reductions. Schooley Mitchell's diligence in monitoring for new vendor fees ensures we are always one step ahead.

What stood out was the simplicity of the process. With less than two hours of my time invested, the returns have been extraordinary, proving to be an incredibly efficient and beneficial partnership.

In today's volatile auto industry, it's partnerships like this that make a difference.

More About Us

Schooley Mitchell is the largest independent cost reduction consulting firm in North America, with offices from coast to coast in the United States and Canada. We've spent the past 22 years helping our clients become financially aware of their vendor relationships. In other words, **we balance the power dynamic between our clients and their vendors.**

We strategically negotiate on behalf of our clients, helping them avoid financially draining contracts, optimizing funds from the ground up. The result? Peace of mind for our 32k clients, knowing they have the best quote based on our competitive pricing data, without sacrificing internal time and resources.
