

To whom it may concern,

I am pleased to write this letter of recommendation for Tri-City Baptist Church, located in Westminster, Colorado. Established in 1969, it has served as a cornerstone of faith and community for many years, offering a welcoming and supportive environment for individuals and families alike.

Tri-City Baptist Church provides a diverse range of offerings, including regular worship services, Bible studies, and programs specifically designed for children, youth, and adults. It provides the services and programs in English and Spanish to help create unity among the diverse groups within its community. To further drive its inclusion, it offers accessible services and resources for individuals who are deaf or hard of hearing. This commitment to inclusivity ensures that everyone can experience the message of faith in a way that resonates with their needs.

The church is supported by a dedicated and compassionate team of staff and volunteers who work tirelessly to ensure that all members of the congregation can grow spiritually and engage meaningfully in their faith journey. The team's passion for service is matched by their deep commitment to the mission of the church, making it a truly special place to worship and belong.

Tri-City Baptist Church also offers a food bank service to its community to help provide families and individuals with crucial resources that meet their basic needs and help to improve their wellbeing.

I wholeheartedly recommend Tri-City Baptist Church to anyone seeking a church that is both welcoming and committed to serving the needs of its community. It is a place of growth, fellowship, and spiritual enrichment.

Sincerely,
