

WANT TO LOWER YOUR TELEPHONE COSTS?

"Even with all of our telecom services under contract we have seen a **29% reduction in telecom costs** after the analysis.

The savings were spread across all areas of communication including cellular, local services, long distance and Internet.

I would highly recommend Schooley Mitchell to any business that feels they are spending too much on telecom."

Sincerely,
Leon Braithwaite -

"After your analysis, our yearly telecom spend has been reduced by more than 40%.

Your expertise and experience has also helped us in the installation of additional lines and the amalgamation of multiple accounts.

We also enjoy using your team as a trusted point of contact for all things related to telecom so we can **ensure our services stay optimized.**"

Sincerely,
