

**Re: Testimonial Letter for Page Brockman**

Page - Congratulations on your most recent placement with Schooley Mitchell. We sincerely appreciate for your commitment to our brand and look forward to each candidate you refer. It is very apparent to our team that you spend a lot of time with your clients and respect their needs and concerns in their franchise selection process.

There is an art to explaining how to buy a franchise and your Candidates are well versed in the procedures and have realistic expectations. One of your recent Candidates told us how much he appreciated your suggestion that he consider Schooley Mitchell. He was not familiar with our brand and hadn't really considered business to business consulting, but now he is excited to launch his new venture and wished he had started years ago.

Thank you again for your referrals and we look forward to many more placements together in the future.

Sincerely,
