

To whom it may concern,

I am more than happy to write this letter of recommendation on behalf of a great company, CanSleep. Based in British Columbia, CanSleep is a leading Integrated Sleep Clinic that serves patients in Surrey, Burnaby, Delta, New Westminster, Coquitlam, Penticton and Victoria.

CanSleep provides complimentary testing and treatment for insomnia, snoring, and sleep apnea. It also offers alternative sleep support and resources, such as positional therapy and cognitive behavioural therapy, as well as a sleep E.A.S.Y commitment that provides expertise, accessibility, and support that is all about you.

At CanSleep, none of its amazing services would be possible without the talented team that stands behind it. Each one is highly skilled and knowledgeable in their respective fields, which they use to help make diagnoses and treatment easier, faster, and more convenient for those they serve. They are also kind, friendly and a pleasure to interact with, always taking the time to listen and never rushing you out the door.

I confidently recommend CanSleep to anyone who is struggling with poor sleep and wants to make a change. With its talented team of industry experts, you count on great service from a team that genuinely care about the health and well being of their patients.

Sincerely,

Mickey Pendergast
