

SCHOOLEY
MITCHELL

Merchant Services Expense Reduction Overview

Schooley Mitchell is the largest independent cost reduction consulting company in North America, which means we provide you with personalized service regardless of geography. We deliver you expertise in all areas of payment processing.

Understanding Schooley Mitchell's Value Proposition:

- › Risk-free analysis of your entire electronic payment processing environment
- › Our core focus is reducing processing costs. If we don't find savings, there is no fee
- › If we do find savings for you, our fees are self-funded as a portion of what you used to pay providers. The net profit goes to you
- › Independence and objectivity – we have no affiliations with any supplier
- › We remain vigilant and up to date regarding the latest government regulations and best-in-class price points
- › Our service guarantees your pricing will not be affected by portfolio wide rate increases

Why is Merchant Services Confusing?

- › True costs associated with processing are not disclosed
- › The electronic processing/merchant service industry is mostly unregulated when it comes to billing and sales practices
- › An extremely complex and cloudy system by which processing costs are determined
- › Convoluted billing systems – wholesale relationship not available to most businesses
