

What We Do

- › Use proprietary software to identify overcharges and billing errors
- › Work directly with vendor to secure refunds and credits
- › Identified best rate and rider combination for your unique usage
- › Continually monitor your accounts

**NATURAL
GAS**

**WATER &
SEWAGE**

ELECTRICITY

How It Works

- › Authorize us to conduct a risk-free audit
- › You provide us with one invoice for each account
- › We obtain historical data directly from your vendors
- › We obtain refunds, credits, and favorable rate changes with no change to your operations
