

To whom it may concern:

I am pleased to recommend SERVPRO of Elk Grove / E. Schaumburg / Itasca / Roselle, a professional cleaning and restoration company serving Elk Grove Village, Illinois, and surrounding communities. It provides comprehensive residential and commercial services designed to help property owners recover from unexpected damage while minimizing disruption and restoring properties efficiently.

Its services include water and fire damage restoration, mold remediation, storm and disaster cleanup, construction, commercial restoration, specialty cleaning, and general cleaning. It also provides sewage cleanup, biohazard services, carpet and upholstery cleaning, air duct and HVAC cleaning, odor removal, document restoration, and roof tarping and board-up services. It is available 24/7 to respond to emergencies.

A particular strength of SERVPRO of Elk Grove / E. Schaumburg / Itasca / Roselle is its highly trained and experienced team. The team is committed to providing efficient, knowledgeable, and professional service while helping customers navigate challenging property damage situations.

I highly recommend SERVPRO of Elk Grove / E. Schaumburg / Itasca / Roselle. It combines a comprehensive range of services with a skilled and dedicated team prepared to respond around the clock, making it a valuable resource for residential and commercial needs.

Sincerely,

Neil Schwan
