What our clients say about us

Dental Practice Client

We want to thank Schooley Mitchell for the work their team did in analyzing our merchant services expenses.

Schooley Mitchell handled everything professionally and required very little time investment from us. Everything, from negotiations to implementations, was handled seamlessly by Schooley Mitchell. As promised, their post audit process has been transparent and accurate. We only pay based on the actual savings recovered!

In the future, we can be confident that we have Madeleine and Schooley Mitchell to continually monitor our expenses and understand our needs, all with our best interests in mind.

Medical Practice Client

We engaged Schooley Mitchell for their expertise in cost reduction consulting. They explained the process, emphasizing the minimal time commitment required from us, and the fact that the analysis came at no cost. This no-risk approach was very appealing.

Schooley Mitchell delivered a **50% reduction** in our Merchant Services processing fees, without requiring any changes to our existing vendor. They were even able to get the implementation retroactive for several months due to the processor delays.

The team at Schooley Mitchell is transparent, communicative, and demonstrates genuine care for our success. They saved us money and time, freeing us from the complexities of vendor management. If you want your organization to thrive, call Schooley Mitchell. We highly recommend them to anyone!
