**To the Ethos Team,**

I love shopping at Ethos! The staff is always so approachable, friendly, and knowledgeable, it makes every visit a pleasure. I'm helped quickly and efficiently, and I always leave feeling like I've gotten great service.

Your points program is such a nice bonus, and right now my absolute favorite product is the citrus face wash. It's refreshing, effective, and something I always look forward to picking up.

Thanks for creating such a welcoming place to shop. I'll definitely keep coming back!

Best,

Julee Jenkins
