It is with great admiration that we write this letter of recommendation on behalf of Soul for Christ Ministry, Inc. Founded in 1999, Soul for Christ Ministry, Inc. is a distinguished, Christ-centered organization dedicated to uplifting the local community through essential services that address both physical and spiritual needs.

The ministry's mission is to bridge the gap between individuals and their unmet needs while equipping them with tools for self-sufficiency. It provides a range of vital services, including operating a food pantry to combat hunger, offering housing support for the homeless, and delivering counseling services to promote mental well-being. It also conducts educational workshops and support groups to empower individuals facing life's challenges. Through these initiatives, the organization continues to make a meaningful and lasting impact on the community.

Soul for Christ Ministry, Inc. is led by a team of dedicated professionals who share a deep commitment to service. Under the leadership of its founder, Rabiul Elijah Omolaja, Ph.D., a licensed professional counselor, the team includes specialists in finance, education, social services, and community outreach.
