

To whom it may concern:

I am more than happy to write this letter of recommendation on behalf of a wonderful practice, Dr. Nancy's Integrative Medicine. Led by Dr. Nancy Gaines-Dillard, Dr. Nancy's Integrative Medicine offers first-rate comprehensive clinical services to patients in the area.

Dr. Nancy's Integrative Medicine provides both medical and aesthetic services from two Arizona locations. This includes general wellness, chronic disease management, customized testing, regenerative therapies, and much more. It also offers a concierge program that is designed for patients to receive enhanced medical attention devoted to their wellness.

Dr. Nancy Gaines-Dillard, DNP-BC, is a board-certified family medicine healthcare practitioner with over 26 years of varied experience in family, emergency, and acute care medicine at teaching hospitals, trauma centers, and tertiary facilities. Dr. Nancy and the entire team believes that personalized care and relationship building are the basis of improving health outcomes. They take the time to listen and get to know you in order to provide the best care possible.

I highly recommend Dr. Nancy's Integrative Medicine to anyone looking for a health care partner that will treat them like a person, not a number. Dr. Nancy and the entire team strive to provide high quality, cost-effective health care to all, while promoting mutual respect, trust, and support.

Sincerely,
