

To whom it may concern,

It is my pleasure to write this letter of recommendation on behalf of Encompass Online Marketing. With effective strategies and engaging marketing tactics, it is ready to help improve the online presence of your company.

Encompass provides all the services needed to promote your digital presence, boost sales, and market your business. Its services include web design and development, social media advertising, search engine optimization, e-commerce website design and development, custom website integrations, brand development, logo design, photography, videography, strategic planning, and marketing consultation.

Encompass also includes a team of marketing professionals who will create content that is unique and special for your business. This expert team is dedicated to providing the most innovative solutions for all your digital needs to achieve results and reach your engagement goals.

I highly recommend Encompass for your business' digital growth. Through creative direction and innovative development, your business can reach its full potential across various web platforms. Your online growth will be a breeze with Encompass Online Marketing.

Sincerely yours,

Ken Buchanan
