

To whom it may concern:

I am more than happy to write this letter in recognition of the exceptional bar and restaurant, Bar Boheme. Located in Houston, Texas, Bar Boheme offers an eclectic wine selection, a full bar with craft cocktails and beer, and worldly bites.

This hidden gem in Montrose has quickly become a go-to destination for all kinds of events, especially given the remarkable combination of attributes that makes it stand out. Decorated with authentic steel frame windows, original brick walls, and cozy couches, the atmosphere has an old-world charm, hard to find at other establishments in Houston.

What sets Bar Boheme apart is its diverse and eclectic menus, offering a wine selection that is nothing short of impressive, craft cocktails, and beer choices that are equally outstanding. The food menus are a unique combination of cultures, offering dishes such as handcrafted Argentinian empanadas and Vietnamese fries.

Lastly, the availability of private and semi-private party spaces is another feature that makes Bar Boheme stand out. Whether you're hosting a networking event, celebrating a birthday, or holding a corporate meeting, Bar Boheme is the perfect setting for all your event needs. Its amazing team goes above and beyond to make every visit special.

I highly recommend Bar Boheme to anyone who wants to have a memorable night out in the Houston area. It's the perfect spot to relax and enjoy an evening full of good food and great drinks.

Sincerely,

Jeff Deurlein
