

To whom it may concern:

It is an absolute pleasure to write this letter of recommendation on behalf of an important organization, The Sanctuary Foster Care Services. Located in Houston, Texas, The Sanctuary Foster Care Services is a child placement agency that is trained in Trust-Based Relational Intervention, offering Wraparound Services to its foster families.

The mission of The Sanctuary Foster Care Services is simple – once a child enters its care, it makes a commitment to work with that child towards healing until they are either returned to their families of origin or to permanency, such as adoption. It strives to stop the cycle of multiple placements that so severely hurt the children in care by providing 24/7 crisis intervention, counseling services for both the children and families, and much more.

At The Sanctuary Foster Care Services, it is truly the staff that makes all the difference. Not only is each one kind-hearted and compassionate, but they genuinely care for those they serve and their community as a whole. They go above and beyond and work tirelessly to ensure the children, and the families they work with, feel safe and supported.

The Sanctuary Foster Care Services is an amazing organization that provides vital support and services to children and foster parents. I commend its staff and volunteers for the good work they do and support them wholeheartedly in their mission.

Sincerely,
