

To whom it may concern:

I am more than happy to write this letter of recommendation on behalf of a great organization, Water Street Studios. Founded in 2009, Water Street Studios is a 501©(3) nonprofit that serves as a welcoming home for self-discovery and expression.

Located in Batavia, Illinois, Water Street Studios is home to one of the largest art studios in the area. It offers high-quality programs that include art education classes, workshops, subsidized artist studios, monthly gallery exhibitions, events, and community outreach. Its mission is to make the arts accessible to the Fox Valley region and beyond, and its vision is to be a cultural hub in the Midwest.

At Water Street Studios, it is truly the people standing behind it that make all the difference. From the staff to the artists and members, each one is highly talented and dedicated to serving their mission. They are a true pleasure to interact with and go above and beyond to ensure the mutual success of both Water Street Studios and the community as a whole.

I confidently recommend Water Street Studios to anyone who is an artist or an art lover. Water Street Studios is an integral cultural hub that enriches and supports its members while striving to make visual arts accessible for all!

Sincerely,

David Dow
