

To whom it may concern:

I am more than happy to write this letter of recommendation on behalf of a great business, Falex Corporation. Since 1927, Falex Corporation has been tribology experts, equipped for the evaluation of the physical properties of fuels, lubricants, and materials.

Falex Corporation provides tribology services such as testing, equipment sales, research, development, quality control, and more to companies in a variety of industries, including industrial, aerospace, military, and manufacturing. No matter the size of your business, Falex Corporation has you covered, taking care of all your needs quickly and efficiently.

At Falex Corporation, all its services are conducted by experienced and knowledgeable staff. With over 90 years of combined experience, you can rest assured knowing they'll provide reliable and accurate services and products that are made with uncompromising standards of productivity and a continued commitment to customer satisfaction and trust.

I highly recommend Falex Corporation for your next project. It's a great company that understands the field of tribology is growing fast and it is ready to provide the exceptional products and services you need to meet even the highest ASTM and industry standards.

Sincerely,
