I just wanted to write this testimonial letter for Brian O'Sullivan of Schooley Mitchell of Delmarva. I own an Italian restaurant in Millsboro, Delaware. As the owner, and new father, I have had a lot of challenges running my business. Brian patiently worked with me to gather the invoices needed and get the analysis started. Brian's business knowledge coupled with his patience and expertise in marketing were a genuine plus! Not only did the analysts at Schooley Mitchell find savings for Credit Card Processing and Telecom for La Dolce Vita Restaurant, but Brian worked closely with me to straighten out a problem I was having with one of my vendors! His help was greatly appreciated.

The process is very simple...provide the invoices, and the analysts at Schooley Mitchell work on my behalf to find the best rates with the same service OR BETTER! Schooley Mitchell found a 22% savings on my telecom bill and they are still working with my Credit Card vendor finding more savings on the processing fees! And, they will continue to monitor my accounts for three years! I am very pleased and highly recommend their services.

Because there is no upfront costs and no-cost if savings are not found, there is no risk to begin the process. Why would you not do this? You can trust Brian and the whole Schooley Mitchell team!

Sincerely,

A handwritten signature in black ink, appearing to read "Faical Abachnou". The signature is fluid and cursive, with a long horizontal stroke at the end.
